If you’re into rock music like they don’t make it anymore, check this out.

MICHAEL NADOLNY &
THE DUST EXPLOSION

Michael Nadolny has a background in the blues and roots scene in Aarhus, Denmark.

He has also contributed to several albums, the latest of which is his solo album HEART BEAST, consisting exclusively of his own songs and released in 2023.

The album was inspired by a cardiac arrest in 2018, where he survived after being dead for 8 minutes thanks to the fantastic efforts of a colleague and good friend.

With a broad genre of Roots Rock, MICHAEL NADOLNY & THE DUST EXPLOSION are now on the road with an energy that will knock most people off their feet.
